

Edison Community Sports Foundation
Sports Hall of Fame Induction Application

Each Fall, the Edison Community Sports Foundation inducts one or more persons into the Edison Community Sports Foundation Hall of Fame.

We would like you to give us a complete resume about yourself or the person you would like to nominate for induction. List all of the sports or activities you participated in while at Edison, all honors you have won (All City – MVP - Captain, etc.). We would also like information about your career in sports after Edison- College and Professional, as well as information about what you are doing today and any other achievements you have received in your years since Edison.

For best results, please complete your application with as many details as possible. The information on the resume is essential to the board in the Hall of Fame selection process.
