

EDISON COMMUNITY & SPORTS FOUNDATION ALUMNI NEWS

The Niles Schulz Scholarship Dinner was a night to remember!

Our annual scholarship dinner was held on Monday, May 2nd, 2022, at Quincy Hall. The dinner was catered by Crave and the food was excellent! This year's event raised over \$12,000 from our Silent Auction, Wine raffle and Cash raffle for the scholarship fund! The Niles Schulz Dinner has not taken place since 2019, however we have continued to give out scholarships each of the past three years to deserving students at Edison. This year we gave out \$42,000 in scholarships! The Edison Community and Sports Foundation is committed to supporting deserving graduates each year! Your contributions during the year and our three events we host each year are how we can do all of this. The golf tournament is coming up so be sure to sign up. Octoberfest is always another momentous event to attend. We want to thank our supporters and their generosity that helps us build this legacy to go on for many years to come! Congratulations to our Scholarship winners this year and our Distinguished alumni that were honored at our dinner! We hope to see you next year at our annual dinner on Monday, May 1, 2023!

2022 Distinguished Alumni

As Edison High School celebrates its centennial, it seems only fitting that we presented the Distinguished Alumni Award to several graduates who have made a passionate lifelong commitment to Edison High School and the Northeast community. At the Niles Schulz Scholarship Dinner in May, the Edison Community & Sports Foundation presented the Larson family and Mike Iacarella with the 2022 Distinguished Alumni Award:

The Larson family

Historically, the Distinguished Alumni Award has recognized an individual for their achievements. In 2022 we departed from the norm to recognize an entire family! It is with great delight that we present the Kim and Mary (Janowiec) Larson family along with their children Jennifer (Larson) Arneson, Sarah Larson, Cory Larson, and Mandy (Larson) Franz as the newest Distinguished Alumni. This is truly a remarkable family of graduates from Edison High School each deserving of the recognition that this award brings. The entire Larson family chose to make the Northeast community their home. The family has been deeply involved and committed to Edison and the Northeast Community for nearly 100 years, spanning five generations. Their support, participation, and accomplishments are

numerous. Over the years they were active in local churches, opened a dental practice, supported countless fundraisers, joined numerous organizations, established scholarships for Edison graduates and volunteered thousands of hours to committees, projects, organizations, public institutions, local youth sports and community events. Kim and Mary supported the ECSF from its inception. Whatever and whenever the

need arose, the Larson family has made a difference, investing their talents, time and financial resources in the Northeast community and schools they so love.

To quote Sarah Larson "We know that being part of a community is not always easy. We start to think that non-involvement is the easier path. That it's no longer necessary for us to step up. Instead, this family chooses hope. And we know that when you combine community with hope, there is power, magic even. We've seen our neighbors be there for us and others in tragedy. We've mourned together when we have lost a landmark, or a tradition or a leader. And celebrated together when we've built something new together. So, we keep the lesson of community and hope close. And make that choice again and again. Generation after generation".

As the family has proudly said "we always stood for Blue Gold when the band marched by".

Michael Iacarella

Michael "Mike" Iacarella grew up in Northeast and has lived there almost his entire life. Mike graduated from Edison in 1975. In high school, he participated in band, wrestling, and track. After high school Mike attended the College at St Thomas graduating with a Bachelor of Arts degree in Finance. He then spent 4 years in California where he earned an MBA in Management from Sonoma State University. Upon returning to Minneapolis, Mike earned a Master of Arts in Business Education from the University of Minnesota. Mike began his career at First Bank System as a commercial loan officer from 1979 to 1989 where he was active in the community, becoming president of the White Bear Lake Jaycees. After returning from California in 1994, Mike accepted a position as a business teacher at Edison High School where he has taught since. While at Edison, Mike founded the Entrepreneurship Academy, the Edison-Minneapolis Chamber Voyager Program, and the Target E-mentor program. In 1998 he was named Mid-West Region III Vocational Business Teacher of the Year. Over the years he has also coached boys' and girls'

athletic teams in soccer, tennis, golf, and wrestling.

In 1977 Mike and other folks came together and decided to march. The Edison Alumni Band was formed and marched in their first parade. They continued each year to do parades, class reunions and other functions. The band has a great core group of about 50 members. Mike said, "I think for our community, it's good to see how music can be a full lifetime experience".

Mike has been a member of the ECSF since 1999 and President since 2007. He has been active in the Northeast Lions Club and numerous organizations and likes to "get out and do community functions, a lot of stuff with the community". In 2016 he was awarded Mr. Northeast for his service to the community. It has been suggested that with his unwavering support for Edison, he could be described as Mr. Tommie! How better to recognize Mike's dedication and contribution to Edison and Northeast than to honor him with the Distinguished Alumni Award as the school celebrates its centennial anniversary.

Congratulations to all the 2022 Distinguished Alumni!

PARADE DRIVERS NEEDED

The ECSF is Planning a Parade on Friday, Sept. 30th prior to the Football Game. We are looking for a car from each decade to be in the parade. We are hoping to have Edison graduates drive their own car, but are flexible. There will be signs to identify the year and make and if the driver is a graduate of Edison and the year they graduated. We are looking for cars all the way up to 2022. So if you have a Tesla or another electric car we would like you to participate. Please contact Doug Jones at 612-272-5600 if you have or can arrange for a car for our parade.

The Niles Challenge: \$100 for 100 Years (an Edison Centennial Gift)

In the last President's letter, I spoke of a wish our cherished teacher, coach and ECSF board member Niles Schulz had regarding everyone on the ECSF mailing list contributing \$100. Niles felt the greatness of the Edison community was how close and thoughtful everyone was to each other; it was the Northeast way. With hard work and dedication, doing what was right, most were able to make something of our lives. His felt if we had a group effort of fellow Tommies all giving a little, we could do something special. So, we are formally asking you all to give \$100 for 100 years of Edison in honor of Niles, your school, and your community. For some, \$100 might be too much, so give what you can. We have never formally asked for money, but this is a unique time in school's history and would like to do something memorable. We have been fortunate to have many wonderful alumni who have donated, making it possible to continue our mission. Over the past couple of months, great things have been happening in the area of gift giving. A few classes have stepped up and taken to the cause of collecting some large sums under their class names. ECSF is a non-profit 301-C, so any money donated is tax deductible and we have very minimal administrative costs since we are all volunteers for nearly 99% of your donation goes to what you want it to go. So, let's all get behind this challenge that Nile Schulz started and see if we can do something truly special!

Letter from President Iacarella

Greetings Tommies & friends,
A fellow classmates sent me a song by John Mellencamp, "Your Life is Now" and as songs often do, a few verses really struck a chord, especially the title. Thinking of our Edison Centennial coming up in September, what a great time to experience part of what we grew up with and make wonderful new

memories with people who helped shape our lives. In "those undiscovered moments" is where you determine what will happen. So why not make the Centennial event, one of those special moments. Events like this only happen every hundred years and you never know what the future has in store, so make the most of your time.

We planned four days of events not to be duplicated. Thursday's **September 29th** events: The **"Tommie Twirl"** at the Hollywood Theater with the "Rockin Hollywoods" and the **"Rock the Tent"** party at Shaw's, bands with Edison roots and the feature band, Gypsy. Once in a lifetime shows, so don't let these moments slip away.

Friday September 30th, a great day planned at the school to visit the halls of Edison. Distinguished Alumni and Hall of Famers will meet with students during the school day to discuss changes of school life at Edison of then and now. A grand **Homecoming Parade** at 3:30 PM with bands, floats and cars that will go around the school and Jackson Park. Tours of the building starting at 3:30 PM along with a **spaghetti dinner by Marino's till 7:00 PM.**

The Edison Homecoming Football game will be at 4:30 PM. The big **Edison Centennial show** will be at 7:30 PM and will be free. It will be a great collaboration between students, alumni, and Morris Park players and one of the can't miss moments.

Saturday, October 1st, the **100 Year All Class Reunion** at the Nicollet Island Pavilion. An incredible space that will make the event even more special to honor Edison and Northeast. This is what I think is the best event center

with the most beautiful view of the city and river in Northeast Minneapolis. Also, one of the best bands in the Midwest area, High and Mighty, will play a variety of music for all ages and an excellent caterer for appetizers, all for \$25. A lot of you have paid over \$200 to go to events like this. The 35W bridge will be lit blue and gold in honor of the event!

Sunday October 2nd, at the **Northeast Armory the Kiwanis will provide a Deluxe breakfast** for much-needed nourishment for recovery from the previous day's of fun. An excellent opportunity to gather with old friends and meet new ones. Knowing a Northeast crowd, the conversation will be loud and lively!

What you need to do now is go to the foundation website and order tickets, which are limited. Sales will be cut off when they sell out. Don't miss out on what will be a lot of great moments. Your life is now!

Website; **www.edisonsportsfoundation.org**

I also want to thank everyone who came to the Niles Schulz Scholarship Dinner on May 2nd. It was a huge success! Because of the pandemic, we have not been able to hold the event for two years. It was nice seeing 300 people having fun, celebrating Distinguished Alumni winners, acknowledging the 18 Edison Student Scholarship recipients, and sharing for their school and community for a great cause. Mary Dalbec and Lori Bartz did a fantastic job coordinating the event and kudos to Bob Lawson for running the wine raffle. ECSF did an amazing job pulling off an incredible event and raising funds! A shoutout to Dan Roff for a great job as emcee!

I also want to acknowledge John Hoyny for his generous donation of a picture depicting the old Sun Drive-In on Central Avenue. It's a wonderful display of what Northeast was about in the sixties and seventies and a grand addition to the Alumni Room. Check it out when you come to Edison for the Centennial and see the Alumni Room!
