### EDISON COMMUNITY & SPORTS FOUNDATION ALUMNI NEWS

#### 39<sup>th</sup> Annual Niles Schulz Scholarship Dinner Another Great Success!

On Wednesday April 26, 2023, Alumni, Teachers, Community leaders and supporters of Edison and the Northeast community gathered for our annual Fundraising Dinner. We

moved the event to a new location, Murzyn Hall and Sarna's did an excellent job with the catering. The Edison jazz band provided some wonderful entertainment before the program. Caricatures were done by Johnny Lourey Borgen Class of 1975. Many of the scholarship recipients enjoyed having a caricature done.

The new venue was more intimate and provided a great space for the event and silent auction. The Silent auction and raffles helped raise more than \$14,000! This year we awarded \$47,000 in scholarships to 21 Students. A very special thank you to all the businesses that once again donated prizes to support our silent auction and to all the wonderful guests that come year after year to support this very important endeavor to help the Edison graduates with their future education. The Class of 1963 came forward this year and donated six scholarships and the Edison Authors also are new to our scholarships

and we are so grateful for their participation. The Larson Family, The Class of 1965 and the Niles Schulz family were all in attendance and have been giving scholarships for many years. The dedication

they show as alumni giving back is outstanding. The students are so grateful for the scholarships they receive, and we always welcome more scholarships or donations. Just a few short years ago we only gave out 10 scholarships and now that has grown to 21 scholarships! What a great community we have! Many of the scholarship recipients and their parents were in attendance. The Scholarship recipients took the stage to introduce themselves and let everyone know where they will be attending school in the fall. We always look forward to having them meet so many of the supporters that contribute to their scholarships.

We look forward to next year as we plan our event and will keep you informed of the date in the upcoming newsletter. I hope more alumni can participate in this event next year! Please join us, once you find out how much fun it is you will be coming back for years to come.

## Letter from President Iacarella

May 28, 2023

President's Letter

Greetings Fellow Tommies  
and Friends of Edison,

Joy, the feeling of  
experiencing an incredibly  
successful 100<sup>th</sup> year Edison  
Centennial Celebration in  
the fall. Yet, it feels like it  
happened just a few short

weeks ago. That is how quickly this year has passed  
by and now we are already looking at what is in  
store for the next 100 years for Edison and its new  
incoming class of freshmen in 2024. With the  
assistance of you, the Edison alumni, and with the  
help of the ECSF, we should be able to ensure that  
it will get off to a great start!

That is because of the wonderful support we  
received from everyone who attended our Niles  
Schulz Scholarship dinner at the end of April. We  
had a great crowd of over 250 people and were  
treated to an excellent dinner catered by the great  
crew at Sarna's. It was special to have an Edison  
alum take pride in serving the affair and making the  
event affordable enough so we could raise more  
scholarship dollars than we previously could from  
the dinner portion of the event. The highlight of  
the event was the introduction of this year's  
scholarship winners. They are an amazingly talented  
group with a wide range of interests and talents.  
Each spoke of where they are planning on going  
after Edison and what their fields of interest might  
be. Most were going the conventional college route,  
but we also had quite a few going into the much

needed area of trades and two year degree  
programs. Much of this can be attributed to the  
successful fundraising effort by the class of 1963.  
They were able to give 5 scholarships this year and  
even helped out in the selection process.

I do want to point out that theirs is not the only  
class to give out scholarships. This year the class of  
1950 gave out two scholarships, the class of 1962  
gave out two scholarships and the class of 1965  
gave out the Wes Hendrickson scholarship. What I  
am trying to say is that we have some tremendously  
generous people that have gone to our school and I  
want to thank you for your continued support! We  
are truly blessed and I feel honored to be affiliated  
with you all!

On that note, let's continue the financial support  
combined with a little fun on the golf course on  
**Monday July 31<sup>st</sup> at the ECSF Annual Golf  
Tournament at Columbia Golf Course.** Talk to  
your friends and get your foursomes together for  
this important event for ECSF. It is our biggest  
fundraiser and is a major source of scholarship  
dollars for the class of 2024. So, if you have played,  
or if you have never played in the tournament,  
please go to our website or reach out to an ECSF  
board member and we will get you out on the  
course and having some fun in July.

Go Tommies!

Mike Iacarella, President,  
Edison Community & Sports  
Foundation
